

The Good University

What universities
actually do and
why it's time for
radical change

Raewyn
Connell

'A searing critique of
the false promises
made by current
ideologies.'

D.W. Uzzell, author of
The Education-Jobs Gap

Contents

Introduction	I
1 Making the knowledge: research	11
Being a researcher	12
The work of research	17
The knowledge formation	24
Research and truth	30
